

Music

This set is on Music and it's importance to our history. It includes a quote which I thought was very fitting and an expression of opinions after 9/11.

artist's quote

It's important to exhibit your mistakes. Man is not perfect. Neither are his creations. I've given up using sour milk. Instead I use music. I sometimes fasten a tape recorder onto paintings or objects and have the music pour over the spectator/listener. This creates a certain effect: those who look at the art don't realize how bad it is when they hear the music. For the music is even worse. Two bad things make one good thing. Dieter Roth, 1978
