

Find the Faces in Benches & Binoculars

Use this set to create you own Seek and Find activity for the *Benches & Binoculars* exhibition. Each image is a zoomed-in detail of a work that shows people or animals in *Benches & Binoculars*.

Can you match it with the full view of the art work? Some are easy and some are pretty hard!

Once you have found the artwork, talk about how you did it. What did you notice about the detail that led you to find the right answer?

There are two other Seek and Find activity sets for Benches & Binoculars: "Shape Search" and "Site Seeing". Have fun trying all three.

Feel free to make this Set your own. As a registered user of ArtsConnectEd you can duplicate any published Art Collector Set to your own account. Once a Set is duplicated you can edit the Set and its slides. [Click here to learn more about duplicating a published Set.](#)
